

2018 EARTH WEEK E-CYCLING EVENT

The Office of Facilities Management invites students, staff, and faculty to bring in unwanted electronic devices to be reused or recycled. Donated items will be repurposed and resold if usable, or they will be recycled in an environmentally safe and secure manner.

We will be collecting items starting Wednesday, April 18, through Friday, April 20. The bins will be located in the lobby of the Learning Commons. There will be three bins for collection. Please use the bins accordingly.

<u>ALL UB OWNED ITEMS</u>	<u>PERSONAL ITEMS</u>	<u>OTHER ITEMS</u>
printers & monitors analog & cell phones keyboards projectors routers & modems notebooks & tablets LED/LCD TVs	printers & monitors analog & cell phones keyboards projectors routers & modems notebooks & tablets LED/LCD TVs Items excluded: tube and CRT TVs, VCRs and batteries	all batteries tube TVs CRT TVs VCRs

Earth week is an annual event celebrated worldwide to demonstrated support for environmental protection.
